Nelson Erickson, Administrator
National Highway Traffic Safety
Administration,
400 Seventh Street, S.W.,
Washington, D.C.

Dear Mr. Erickson:

Thomsen Equipment Company manufactures for sale a multiline of trailer mounted concrete pumps. The attached schedule and tables are submitted herein for approval as our standard fixed format 17 digit VIN identifier.

Page 1 of the attachments is the master list for each of our current models showing the fixed portion of the identifier. Pages 2 through 8 of the attachments provide descriptions for the five characters in the second section and the first two characters in the third section. The remaining six characters in the third section shall be assigned in sequence and will be unique to each unit produced.

Pursuant to Federal Vehicle Safety Standard No. 115, approval is requested by Thomsen Equipment Company of the described vehicle identification numbering system.

Sincerely,

Mick Sand
