Re: William Clark Boat & Vehicle Works, Inc.
Our Reference Number 1002-C

Gentlemen:

This office represents the above corporation, which intends to, among other things, manufacture a small quantity of boat trailers. The following information is submitted in accordance with Sections 56.2 and 56.3 of the Federal Safety Standards.

The first three characters (1C9) and the 3rd, 4th and 5th characters of the third section (222) have been assigned by SAE.

In the second section, the company intends to use the following characters:

1. Type: Boat- B;
2. Series - S
- 3-4 Length = (e.g. "20")
5. Axles (number) - (e.g. "2")

The second character of the third section shall be N.

The sixth through eighth characters of the third section shall begin with 001 and shall increase sequentially.

Please feel free to call if you have any questions.

Very sincerely,

Stephen Lochner
