Attn: VIN Coordinator

Gentlemen:

Attached are three copies each of our Revision and Appendix Log and page 28 of Appendix I to Suzuki Engineering Standards (SES-N4009) Vehicle Identification Number.

As mentioned in our original correspondence to your agency, dated April 2, 1980, Appendix I supplements the second section "Vehicle Descriptor Section" of Suzuki Engineering Standards (SES-N4009) Vehicle Identification Number. This information will assist in providing your agency with a clear explanation of the five characters contained in the second section of the Vehicle Identification Numbers that will be affixed to our products.

This submission concerns our GS550L model motorcycle.

Sincerely,

SUZUKI MOTOR CO., LTD.
