Dear Mr. Rutland:

Yuma Welding and Fabrication recently began doing business as a manufacturer of small utility type trailers. We received our VIN Number Identifier from The Society of Automotive Engineers and means to issue our VIN Numbers.

Enclosed please find our "VIN Calculator", our initial VIN Number to be issued, and VIN Number Decipher.

I hope this meets your requirements. If you have any questions please contact us at the above return address or at (602) 783-4300.
