Dear Administrator:

This is a follow-up to the letter sent to your office on June 01, 2006. It incorporates a 2007 MY mid-year model, the XB12STT, which will be introduced in December of this year.

In compliance with 49 CFR Part 565, the following information is provided to define the codes contained in the VIN scheme used to identify vehicles manufactured by Buell Motorcycle Company.

2007 Model Year Vehicles:

Sample VIN: *4MZAX03D673300001* for the DOM and CAL vehicles.
Sample VIN: *5MZAX03R973300001* for the International vehicles.

- "International vehicles" are defined as vehicles destined for markets other than 49-state (DOM) and California (CAL).
- '*' symbols appear before and after the VIN to meet a European regulation, and appear across all models and markets to maintain uniformity.

<u>VIN Ranges for DOM and CAL 2007 Model Year vehicles (note that the last five digits are unique and sequential only within a model, thus not sequential within a market):</u>
