Attention: VIN Coordinator

Dear Sir:

We have discovered that apparently due to an oversight, you have not been notified of our VIN information as required in FMVSS115. We regret this delay and are enclosing the information required.

We currently manufacture eleven models of utility trailers and one model of snowmobile trailer. The gross vehicle weight rating classes are as follows:

Utility Trailers

- Model 20-001, Class A
- Model 20-002, Class A
- Model 20-006, Class A
- Model 20-007, Class A
- Model 20-008, Class A
- Model 20-009, Class A
- Model 20-014, Class A
- Model 20-015, Class C
- Model 20-016, Class D
- Model 20-017, Class A
- Model 20-018, Class A

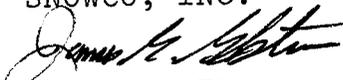

Snowmobile Trailer

Model JD76, Class A

We have enclosed the information needed to decipher our VIN. Please contact us if you have any questions or need further information.

Sincerely,

SNOWCO, INC.

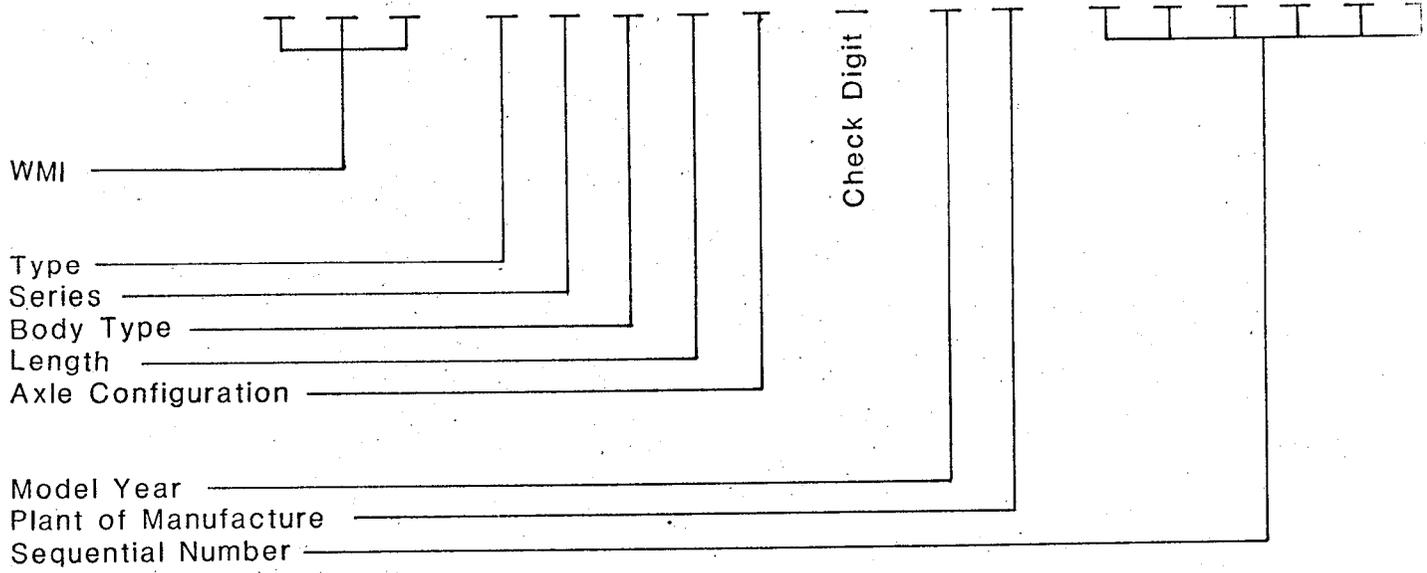

James E. Elstun
