Dear Mr. Burgett:

Pursuant to S6 Reporting Requirements of MVSS 115 Federal Safety Standards and as per my telcon of today with Nelson Ericson/Ken Rutland the following information is submitted to be used by this company for Vehicle Identification numbers affixed to vehicles that it intends to manufacture:

1 Y 2 C 4 0 2 5 E L 0 0 0 0 0 1

2 = SEMITRAILER

C = CONTAINER CHASSIS

4 = NOMINAL FOOTAGE

2 = NUMBER OF AXLES

5 = CHECK DIGIT FOR 1ST UNIT OF PRODUCTION

E = 1984 MODEL

L = LOS ANGELES (OUR PLANT IS LOCATED IN COMPTON, CA.,
A PART OF LOS ANGELES)

000001 = NUMBER ASSIGNED TO OUR FIRST UNIT OF PRODUCTION

As per my telcon of today with those persons mentioned above, I believe our proposed VIN# will meet with your approval.

Very truly yours,

Joan Tedaldi
