Gentlemen:

ORIGINAL

Enclosed is a revised copy of our "VIN" chart which describes the trailers we manufacture. The revisions are in the axle type of the trailers. These revisions, listed on the attached sheet, will take effect May 21, 1984. I believe this to be selfexplanatory and should give you complete information needed to identify our products.

Should you need additional information, please call.

Cordially,

Handwritten signature of Joseph B. Morris
