ORIGINAL

Dear Sir:

Enclosed is an amendment to Skyline Corporation's submittal of the information necessary to decipher the characters contained in the Vehicle Identification Numbers. The type of trailer of the 2nd section of the VIN has been amended to include the number nine which identifies park travel trailers. The amended page will replace page 2 of the package submitted to your office on May 13, 1980.

We hope this information will meet with your approval. If you have any questions or need further information, please give me a call.

Sincerely,

Kent P. Schumacher

Re: 1985 VIN Data
3rd Supplemental Update

Dear Sir:

In accordance with the requirements of 40 CFR Part 565.5, Kawasaki submits the information necessary to decipher our Vehicle Identification System and to provide an update of vehicle horsepower figures as currently available for the 1985 model year.

This constitutes a third update to the referenced data.

The following 1985 models have been added with anticipated production dates in Mid-June.

ZX750-A3

ZN700-A2

If there are any questions please contact me.

Thank you.

Sincerely,
