Subject: Trailer TT-633

Dear Sir,

In response to the letter issued by Mr. Stanley R. Schiener, the Chief of Crash Avoidance Division, at 4-3-85, here is the information you need:

Type The Trailer, which gross weight does not exceed 10,000 lbs; this includes such type as utility, boat, camping, travel, and special purpose trailers which normally towed by conventional passenger cars, light-duty commercial vehicles, and multi-purpose passenger vehicles.

Series T Series

Body Type Flat Type

Length 78"

Axle

Configuration see the catalogue attached

Meanwhile, the location of plant of manufacturer is

No. 269, An Ho Road, Sec. 2, Tainan 700, Taiwan

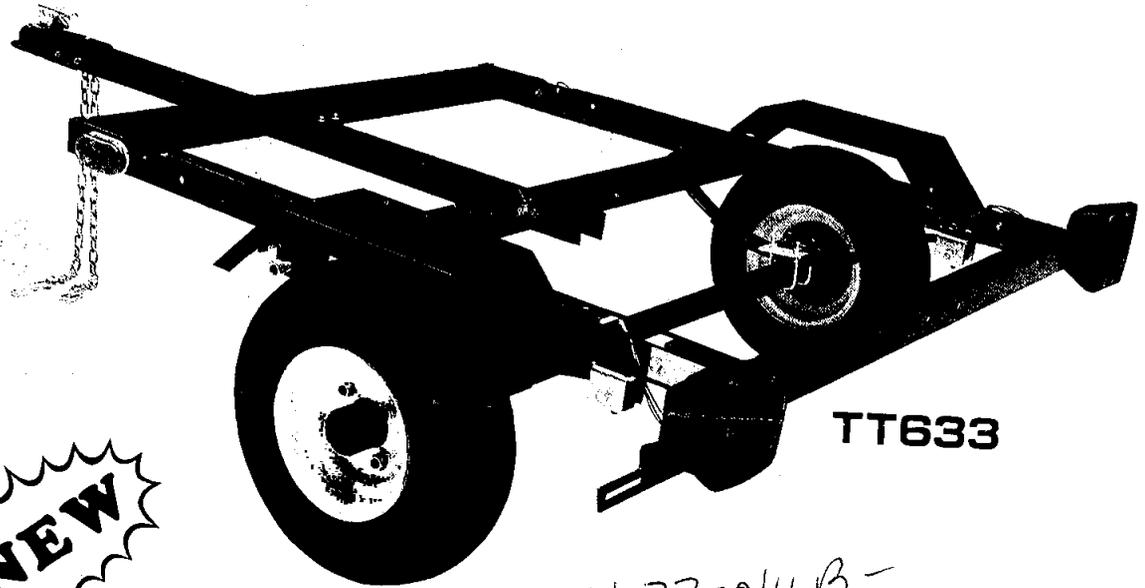

If you have any problem, or need more information, please advise immediately.

Thanks very much for your cooperations.

Very truly yours,  
Ta Ta Industrial Co., Ltd.
