Gentlemen:

To meet the requirements of the U.S. Standard 115 on vehicle identification number, please find enclosed information for the identification of a new model.

- Section 11 position 1: The letter "H" is going to be used to identify the "High Decker" model.
- Section 11 position 5: The number 6 will identify the series sixty (60) feet long.

If further information is required, do not hesitate to contact me.

Sincerely yours,

JULES PERREAULT, Vice-President
