Attached to this letter is the information necessary to decipher the characters contained in the Vehicle Identification Number (VIN) for a flatbed trailer which is to be manufactured by Reinke Manufacturing Company, Inc. This information is submitted as per requirements set forth in Federal Motor Vehicle Safety Standard No. 115 - Vehicle Identification Number.

We understand that any amendment to this coding shall be submitted to NHTSA and that a written approval may not be provided by NHTSA unless corrections are necessary.

Sincerely,

A handwritten signature in cursive script that reads "Gary Buttermore".

Gary Buttermore  
Design Engineer
