Attention: V.I.N. Coordinator

Dear Sir:

**01-22-NIB-2182**

This letter is to notify you of a change that we must make in our V.I.N. number system. The digit that we previously indicated the length of our trailers with was numerical and we must change this to alphabetical. We have expanded our line of trailers and the number of lengths prohibits us from using numbers. Thank you for your attention to this change on our records.

Sincerely,

Go Tag-A-Long Trailer Mfg., Inc.

Susan DeJane, Office Manager
