Attention: VIN Coordinator

Dear Sirs:

Rosewood Enterprises, Inc. is a manufacturer of Commercial Coaches, bath stock, and custom units to customer specifications. We have been assigned the following manufacturer identifiers:

IR 9 With the 3rd, 4th, and 5th characters of the Vehicle Indicator Section to be 082.

These numbers were assigned to us by:

SAE
400 Commonwealth Drive
Warrendate, Pa. 15096-0001

Attached please find the example of how we have arrived at our V.I.N. numbering system.

The serial number is the unit in numerical sequence it has been produced by Rosewood. I hope this example clarifies the system for you. If you have any questions, please notify, or call me at (602)-233-1903.

5/19/86

Serial number is done in sequentially and the check digit should be a 4 not 5 per Mike Smith.

Thank you very much,
M.C. Smith
