Attention: V.I.N. Coordination

Subject: V.I.N. Deciphering Information Amendment Submission

Gentlemen: 01-22-N11B-2288

Please be advised that Freightliner will add a new model code to its V.I.N. coding scheme for positions 4 and 5. These positions represent a code for model series, chassis, cab and brake system.

New Code for Positions 4 and 5:

Code: 0Z

Cab Type and Model Series: Conventional  
Wheels: Glider  
Front Axle Position: Setback  
Truck or Truck-Tractor:  
Brake System:

Attached is a copy of the deciphering information contained on Table B for positions 4 and 5, Series Z. This copy of Table B should supercede previous editions for Series Z.

Best regards,

Thomas E. Robinson  
Executive Engineer
