Dear August,

Here is our breakdown of what we will be putting in our VIN#. This is a true VIN# below. If there is any problem with it please let us know. This vehicle is in production now. We would appreciate your prompt filing of our first VIN#.

The type of trailer's, F=Flat bed, U=Utility. Series/Body type, S=Standard, C=Custom, P=Special. Length will vary but will be between 12'-28'. Number of axles will vary 1,2,3..., but will for the most part be 2 axles. Thank you August for your patience and cooperation with us in this matter.

Sincerely,

Bob Barnett
