Ms. Garner
National Highway Traffic Safety Administration
400 Seventh Street S. W.
Washington, D. C. 20590

Dear Ms. Gardner:

Per our phone conversation Halliburton Services has changed the definition of one of our VIN "decipher" codes. We have changed the number 1 (one) to represent energy industry equipment rather than incomplete vehicles. This number will be used (when applicable) as the fourth character of our VINs.

Sincerely,

Ralph Houser
