Dear Mr. Weiss,

As per our discussion in your office on 8-7-84, I am submitting the following VIN information in compliance with section S6.3 of Federal Safety Standard M.V.S.S. No. 115.

The VIN number intended for use with our initial thirteen foot "Scout" travel trailer is VIN 1F9TT1311E1034001.

- (1) Characters 1F9 were assigned by the Society of Automotive Engineers.
- (2) Character T designates the type of trailer, i.e., "travel"
- (3) Character T, the fifth character, designates the series, i.e., Thirteen Hundred.
- (4) Characters 13, the sixth and seventh characters, designate the length of the trailer in feet.
- (5) Character 1, the eighth character, designates the number of axles.
- (6) Character 1, the ninth character, designates the check digit.
- (7) Character E, the tenth character, designates the year of manufacture, i.e., 1984.
- (8) Character 1, the eleventh character, designates one plant located at 3553 Concord-Henning Mill Road, Williamsburg, Ohio.
- (9) Characters 034, the twelfth, thirteenth and fourteenth characters, were assigned by the Society of Automotive Engineers.
- (10) Characters 001, the fifteenth, sixteenth and seventeenth characters, are digits that are sequentially assigned by the manufacturer in the production process to designate a specific number for each trailer produced.

If more information is needed, please contact me at your earliest convenience.

Sincerely,
Harrell Griffin
