Attention VIN Coordinator:

lpg

We have established the following VIN numbering system for our 4500 gallon stainless steel sanitary tank trailer. The unique identifier portion of the VIN was approved December 7, 1987 by the society of Automotive Engineers.

The following is an explanation of our VIN system.

If you have any question regarding this system, please contact me immediately. Also, please notify me as soon as possible if any further information or action is required.

Sincerely,
Sheila K. Lagerwey
