Gentlemen:

Enclosed is a revised copy of our "VIN" chart which describes the trailer we manufacture. The revisions are in the model number and length of the trailer. These revisions, listed on the attached sheets, will take effect December 1, 1987. I believe this to be self explanatory and should give you complete information needed to identify our products.

Should you need additional information, please call.

Sincerely,

Harvey D. Benson  
Chief Engineer
