Dear Mr. Coleman,

Donovan Spring & Equipment Company, incorporated in the State of New Hampshire, is currently listed in your Manufacturer Identification Database under Part 565 and Part 566. The following page is the information from the NHTSA database search. I am writing to inform you we have moved from Manchester to Londonderry. Our new address is as follows:

Donovan Spring & Equipment Company

In keeping with 566 regulations, Donovan Spring & Equipment completes trucks in the final stage by installing service bodies, dump bodies and related accessories on chassis-cabs with GVWR from 8,500-lbs. to over 33,000-lbs. Please update our information in the Manufacturer Identification Database and send written confirmation that our company is registered with the NHTSA as an incomplete vehicle manufacturer.

Thank you.
