RE: Submission of manufacturer identification

Dear Traffic Safety Administrators:

This letter is to serve as identification of our company to the NHTSA.

Our full name and address is: UP-N-ATOM Inc.
21675-B Doral Road
Waukesha, WI 53186

We are a Sub-chapter S Corporation incorporated in the state of Wisconsin.

We are a final stage manufacturer engaging in design, manufacture and installation of truck bodies on purchased truck Chassis-Cabs for use in the transportation of machinery, automobiles and light trucks. Our completed vehicles range from 15,000 lb to 33,000 lb GVW.

If you require any further information please contact us.

Very Truly Yours
