Change of Company Name Update

Carry-On Trailer originally registered with NHTSA for WMI (4YM) status and all other required documentation in 1995 (approximately) and did so incorrectly at that time.

This letter and attached document is sent to allow Carry-On Trailer to correctly register its name with NHTSA.

We apologize for this oversight, but need our records updated as quickly as possible. We have applied to the State of Connecticut for a manufacturer's license. Our name change must be corrected before Connecticut will continue to process our license.

Thank-you,

Michael G. Skoglund
Vice President of Operations
Carry-on Trailer, Inc.
