Dear Mr. Coleman:

Unique Conversions, Inc. is requesting an altered registration as an incomplete vehicle, intermediate, final and altered motor vehicle manufacturer. Our company is a second stage manufacturer registered with NHTSA for the manufacture of trucks with a GVWR range of less than #10,000. We have recently begun manufacturing trucks with a GVWR range greater than #10,000. The vehicles we produce are supplied by General Motors, Ford, Daimler/Chrysler and Freightliner and have a GVWR not to exceed #26,000. Please amend our classification as required by 49 CFR Part 556 and confirm that our company has submitted the required Manufacturer Identification information and is now registered accordingly.

Please do not hesitate to contact me at 817-477-5251 if you have any questions or need more information.

Sincerely,

Todd Riley
