Dear Mr. Coleman,

A letter from our corporate office in Quincy, IL was sent to the NHTSA on April 9, 2007 requesting registration. I noticed that as of today, we are not showing as being registered.

I have attached the original letter for your review.

Knapheide Truck Equipment Company-Southeast is a final and altered stage motor vehicle manufacturer in the state of Florida. We complete chassis cabs and cutaway chassis by installing service bodies, dump bodies, platform bodies, crane bodies and related accessories. Trucks range in size from 5,000 lb GVWR to 65,000 lb GVWR. We have three locations as listed below.

Knapheide Truck Equipment Company Southeast
