Subject: Compliance Federal Safety Standards - Mounting  
Concrete Mixer Bodies to Truck Chassis.

Gentlemen:

We are distributors for a transit concrete mixer manufacturer and as such have had occasion to mount a few mixers on the truck chassis.

Even though we mount few and far between, we understand that anyone who does this operation is now required by law to state so.

So, in compliance with this act we hereby submit, name, adress, state in which incorporated, bodies involved, size, and weights.

CAW CONTRACTORS EQUIPMENT COMPANY  
16 E. Lake Street  
Northlake, Illinois 60164

Incorporated: Illinois  
Mounting: Transit concrete mixers in 6 cubic yard through 15 cubic yard capacity with a gross vehicle weight rating of 39,000# to 99,000#.

Yours very truly,

CAW CONTRACTORS EQUIPMENT CO.
