Washington, D. C. 20549

Gentlemen:

We submit our report as follows, pursuant to §566.5 of the Federal
Motor Vehicle Safety Regulations:

(a) Clark Equipment Company

(b) 324 East Dewey Avenue
Buchanan, Michigan
A Delaware Corporation

(c) <u>Vehicle Type</u>	<u>For Hauling</u>	<u>GVWR Range</u>
Semi-Trailer	General Commodities	25,000-160,000 pounds
Full-Trailer	General Commodities	32,000- 46,000 pounds
*Truck (Final stage manufacturer)	General Commodities	up to 60,000 pounds

*NOTE: These vehicles are completed chassis-cabs. Work
consists of mounting a truck body or fifth wheel on
a chassis and other finishing operations.

Very truly yours,

D. F. Ryman
