SUBJECT: FINAL MANUFACTURER REGISTRATION

The intent of this letter is to register Duke Power Company, specifically the Heavy Equipment Maintenance Shop (HEMS), as a final manufacturer of vehicles produced in two or more stages. Descriptions of work to be performed at HEMS are as follows:

- 1) Work vehicles and multi-purpose passenger vehicles from 8,600 GVW through 11,000 GVW. Final manufacturing of bodies, front winches and power tailgates on bare cabs and chassis.
- 2) Work vehicles from 14,000 GVW through 33,000 GVW. Final manufacturing of bodies, aerial devices, digger derricks, cranes and front winches to bare cabs and chassis.
- 3) Work vehicles from 33,000 GVW through 70,000 GVW. Final manufacturing of bodies, aerial devices, digger derricks, cranes and front winches to bare cabs and chassis.

Should you have any questions or require any further information, please contact me.

Ven Burwell
General Manager, Transportation
