**City of Incorporation:** Silver Eagle Bus Manufacturing, Inc. is incorporated in Brownsville, TX 78521.

**Product Manufactured:** Silver Eagle Bus Manufacturing, Inc. manufactures entertainer coach-shells, and motor-home-shells, the interiors of which are completed by conversion companies of the clients' choice after purchase from Silver Eagle. Silver Eagle also manufactures completed, seated-buses and incomplete bus-shells, the latter being completed into seated buses by the client, after purchase from Silver Eagle. In the case of the seated-buses, they are all destined to be used as public-bus or tour-bus transportation. All coaches and buses made by Silver Eagle are manufactured beginning with the fabrication and assembly of the steel superstructure, with all subsequent components, e.g. siding, engine, transmission, windows, etc. purchased from vendors throughout the U.S. and abroad and ultimately assembled here in Brownsville, TX.

**GVWR:** The gross vehicle weight ratings (GVWR) of our products range from 36,020 lbs. for a 35 ft. shell for a seated bus to 58,000 lbs for a 45 ft. entertainer coach-shell.
