Dear VIN Coordinator:

Larrick, LLC dba Strongback Trailers wishes to amend its deciphering code on VINs, by adding the following items, to include:

Type: M = motorcycle trailer

Length: 8 = 20'

Also, for clarification, the GVW (position 5) will be designated by a letter: A 1000-1999; B for 2000-2999; C for 3000-3999 and so on.

Everything previously submitted shall remain the same, and these shall be additions to that code.

Please let me know if you need any additional information. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Lauren Danielson". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
