Dear Mr. Coleman,

As per our phone conversation, I am writing this letter to have my manufacturers license for Renegade Motorcycles frozen. I sold my license and business to AJ Basile under certain conditions that he has not fulfilled. He has not paid for the license and has not followed my directions for the construction of these bikes. He is trying to sell them now to raise the capital and they are not built legally or safely. These bikes should not be sold to anyone or put on the road until they meet NTSB codes.

I intend to pursue this civilly and in the meantime do not want him to use my license to sell these bikes.

Please freeze or remove his name from the license.

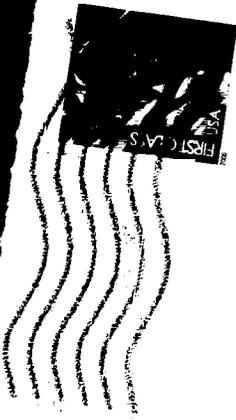

Thank you,

Sherman Maxwell
