Subject: Identification as an Intermediate Manufacturer

Dear Mr. Coleman,

In accordance with the requirements of 49 CFR Ch. V, part 566, please accept this letter as our request to be included on the NHTSA listing for Intermediate Manufacturer. Specifically, All-State Ford Truck Sales, LLC is engaged in the selling of Ford Motor Company, Sterling Truck Corporation and Isuzu trucks.

Many of these trucks are sold as Cab and Chassis from the Primary manufacturer to the Final Stage manufacturer. These are multipurpose commercial trucks with a GVWR range from class 1 @ 6000 lbs to class 8 @ 33001 lbs & over. The final stage manufacturer will add various body configurations to bare chassis.

As an Intermediate Manufacturer we occasionally find it necessary to change the wheel-base of certain trucks before being sent to the final manufacturer for various body configurations.

All-State Ford Truck Sales, LLC is incorporated in the state of Kentucky and is located at 1357 Gardiner Lane, Louisville, Kentucky 40213. Our phone number is: 502-459-0550.
