Dear Sir:

This letter is to inform you of our name change. Everything else is the same. We still use **1 J 9 / 2 2 1** as our **WMI** assignment in our **VIN**. We also use the same manufacturer certification label.

We build custom trailers up to twenty-four thousand (24,000) pound maximum GVWR.

Feel free to call if you have any questions.

Thank you,  
James L Gingerich, President  
Jayron Fabrication LLC
