All shipments are subject to UPS' Terms and Conditions of Service (Carriage) which can be found at www.ups.com and are also available at UPS' service centres. Unless a greater value for carriage is declared in the declared value field of the UPS source document or the UPS shipping system used, the Convention for the Unification of Certain Rules Relating to International Transportation by Air (the Warsaw Convention), the Convention on the Contract for the International Carriage of Goods by Road (the CMR Convention), other mandatory national laws, or the UPS Terms and Conditions of Service (Carriage) apply to limit UPS' liability for damage, loss or delay of the shipment. There are no stopping places that are agreed at the time of the shipment, and UPS reserves the right to route the shipment in any way it deems appropriate. The shipper authorises UPS to act as forwarding agent for export control and certain purposes.
