DESCRIPTION OF THE MANUFACTURER AND ITEMS MANUFACTURED PER
CFR PART 566.5

GDM, Inc. manufactures concrete cutting equipment. GDM, Inc. sells wall saws, hand held saws, core drills, and hydraulic power modules. The Hydra-Pac 400 power module is the one and only product that requires a trailer, which GDM, Inc. calls its hydraulic trailer standard series. Gross vehicle weight rating is 1800 lbs. GDM, Inc. is incorporated in the state of California.

Sincerely,

A handwritten signature in cursive script that reads "Albert Schuman".

Albert Schuman
President
