To Whom It May Concern:

Our company is requesting registration as a final-stage motor vehicle manufacturer as required by 49 CFR Part 566 – Manufacturer Identification. Our company completes trucks in the final stage by installing dump bodies and related accessories on chassis-cabs with GVWRs from 8,500 lbs to more that 33,000 lbs.

Please provide us with written confirmation that we have submitted the required Manufacturer Identification information and are registered.

Thank you very much for your time.

Sincerely,

Brian Newell
Vice President
