To Whom It May Concern:

As our new letterhead indicates, we have recently changed the manufacturing name of our regulatory reporting for the Dodge Sprinter/Freightliner Sprinter from DaimlerChrysler Manufacturing International LLC to Sprinter Engineering and Compliance Support Team - A Division of MBUSA, LLC. There has been no change in operative personnel, and we will continue to provide all relevant documentation for the Dodge Sprinter/Freightliner Sprinter van. The following information has changed for our company:

- Old Name: DaimlerChrysler Manufacturing International LLC
- New Name: Sprinter Engineering and Compliance Support Team
A Division of MBUSA, LLC

Please update your records to reflect the above changes. If you or anyone on your staff has any questions, please feel free to contact Michael Scott of my staff at (843) 695-5057.

Sincerely,
