The work performed at this facility includes adding a body to an incomplete chassis as supplied by International Navistar, Ford Motor Company, General Motors and or Freightliner Corporation. In addition, certain modifications may be made to the incomplete chassis as supplied by the incomplete vehicle manufacturer. i.e. the modification of the suspension system and or the wheelbase.

General Coach America Inc. also manufactures multipurpose vehicles in the same GVWR ranges for special applications other than buses, i.e. mobile showrooms, emergency communication vehicles, medical facilities, etc.

Additional information concerning this submittal, if required, may be obtained from this office.

Sincerely,

Jeff Geske
Engineering Manager
