Hello,

Attached is the 49 CFR 566, manufacturing Identification Submission.

My company had DOT certified Helmets manufactured in China by the Jinhua Hongying Crafts Co. The helmets we are importing will not have the Jinhua Hongying Crafts Co. label as the manufacturer of the helmets for obvious marketing purposes. The brand name of the helmets are VOLTAMP Helmets. The distributor and manufacturer will be my company Patchstop.com Inc.

A sample of the Helmet has been through DOT testing and has passed the tests.

I'm filing this paperwork after Claudia Covell's suggestions as it is required by the DOT. She works with DOT and her number is 202 366 5293

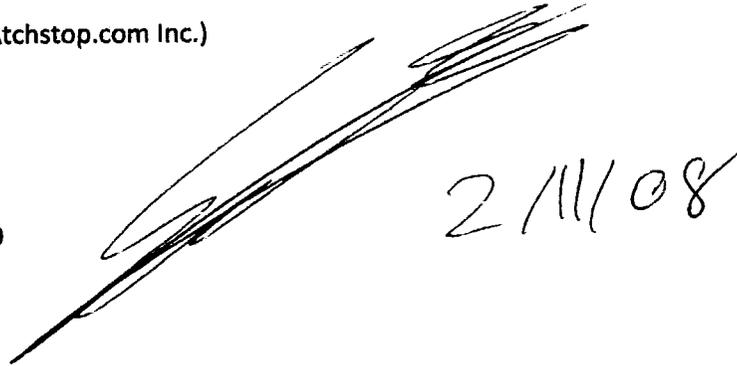

Thanks and take care

Erhan Simavi (CEO, PAtchstop.com Inc.)
