12/9/2008

Ownership of Company: Paul Miller 93% Dale Couturier 7%

State of Incorporation: Arizona Bus Sales is incorporated in Arizona.

Product Manufactured: Arizona Bus Sales alters new vans by removing OEM seating and installing aftermarket seats. The net result is a smaller passenger capacity with an aisle way. The new seats have been tested and installed to meet all applicable FMVSS including 207, 208, 209, and 210 Weight ratings are not affected. Current vans being altered are Ford E150 and Ford E350 models.
