Owner of Company: Chris Okano

City of Incorporation: New Bern, NC 28562

Product Manufactured: Seal Trailer Company constructs utility trailers made from steel purchased at local supply companies. Trailer kits that include wheels, tire, axles assembly, fenders, safety chains, couplers, jacks, reflector tape and light assemblies. All purchased from US distributors. Trailer frames are fabricated by electric weld equipment. We construct open utility trailers, boat trailers and enclosed trailers.

GVWR: The gross weight of our trailers range from 500 lbs. tag along trailers to 54,000 lbs. equipment trailers.
