Dear Sirs,

Re: Manufacture Identification Report for June 2005

We would like to request a written confirmation from NHTSA that we have submitted the information required by 49 CFR part 566 and is registered as a final stage manufacturer of motor vehicles.

Complete trucks in the final stage by installing service bodies, dump bodies, platform bodies, flatbeds, hook lift systems and related accessories on chassis-cabs with GVWR from 10,001 to over 33,001 lbs.

Thank you,

A handwritten signature in cursive script that reads "Pamela Briski".
