AGRIFLEET LEASING CORPORATION

100 Thornhill Road

Auburndale, FL 33823

(863) 967-4191

fax: (863) 967-8594

Owner of Company: Robert R. Swander

State of Incorporation: Florida

Products Manufactured: AgriFleet builds dry and liquid bulk hauling trailers from steel. Trailers are typically used to haul fertilizer in dry and liquid forms, plus sugar cane and fruit, depending on the model trailer. Some models manually or hydraulically dump their loads from bins on the trailers.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 1850 lb single tank pull trailers up to 66,000 lb High Dump Trailers.
